PUBLISHED BY THE
STUDENT BODY OF
DAVIDSON
COLLEGE

F O R E W O R D

DAVIDSON'S student life is in itself homogeneous and simple. Davidson's spirit is emblematic of the unpretentious denying itself the luxuries of form and show. Davidson's faculty, like

her students, are alike in tastes and in pursuits. Davidson's traditions are few but powerful, making evident the sameness of the mould in which we are all cast. Davidson's athletics speak eloquently of this same spirit of modesty. Davidson's activities add voices of modulation to the general tone.

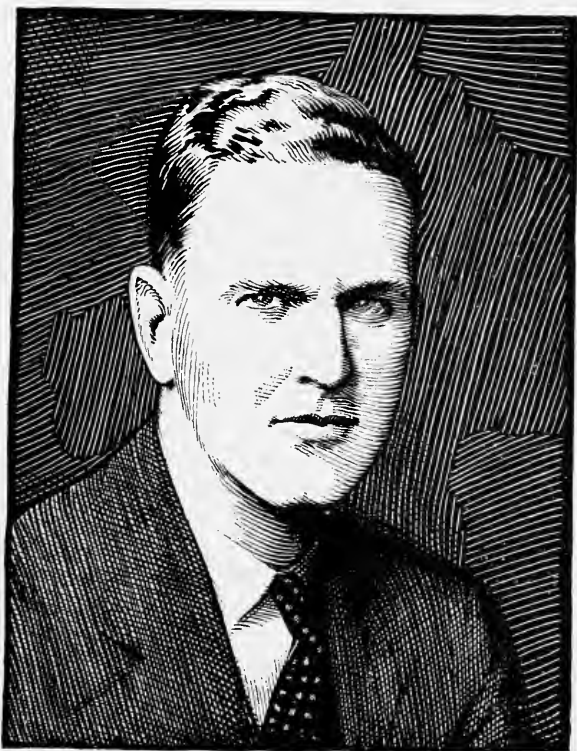

Of this life without superfluity and unwanted ostentation Davidson's Yearbook attempts to speak. Therefore with simple lines and plain colors we have built a monument to that Spirit of Davidson.

D E D I C A T I O N

The Class of 1933 respectfully dedicates this volume of the Quips and Cranks to its best friend, example and counselor, to him who is the personification of all that is and should be the Davidson Spirit, Captain Norton Goodier Pritchett.

CAPTAIN NORTON G. PRITCHETT

Senior Class History

"Four Years Before the Fast"

O Muses, fill our hearts with happy hours
Spent here true to our hopes. This life of ours
So steeped through these four brimming college years
Leaves thoughts too deep—and poets in arrears—
Here to be fully told. This verse, some bread,
And Thou, O Muse, perforce must bravely tread
This deeply storied path alone,
(The jug of wine perforce forgone).

Be not our plan unceasingly to prate
'Pon single heroes' deeds, or that estate
Whereinto all our men did fall when first
They nobly came to quench Pierian thirst,
But were be-capped and straitly bade withhold
Their eager feet from every blade, and told
To humbly acquiesce in all. (.Ah, then,
O Milton, wouldst thou had been here!) But men
Met men, now face to face, and spirit keen
Prevailed, the strongest ever to be seen.
And now Time swiftly sped at Fate's behest,
Despairing e'er on earth to keep abreast
Of such a group of men. The picture gleams;
One harkens back to times on Bible streams
When such a group, with like but shorter name,
Were in their land accorded lasting fame,
And known as "David's Mighty Men,"
(For there is valour now as then!)

QUIPS AND CRANKS 1933

*A second year wrought wider still a change
From that be-capped era whence they came;
The challenge both to mind and limb was met,
And better teams than had been nurtured yet
Arose in grim array. And minds that had
The first year been restrained became now mad
To prove their learned mettle,
(And all great problems settle!)*

*"Wise fools" we were, with legend in accord,
But coming years dispelled the term abhorred;
Wise fools no more, but wise. Our strength we learned
To humbly show but stoutly use; and earned
The high esteem of those with whom we strove,
As of the prize our work deserved we have
In view. The first Fresh class to fill the halls
Of Chambers, and—the first Soph class the thralls
Of Soph Day to delete; the only class
To ever plant a tree, thus to the mass
Of future men a leafy souvenir
To dedicate—to cherish and revere.
And so the list goes on, stopped only by
The limit of our space: 'twere vain to try
Herein our many 'chievements to record,
Or here the numerous laurels to award
That Time must surely make,
(Awaken, Father Time, Awake!)*

*In closing years the picture changed again;
A deeper vision stirred now thinking men,
And took the semblance of a sober pause
Upon the brink of Time's stark cliff; because
(More closely interwoven in their souls
Than had been thought), appeared now distant goals
To which to strive, not just to visualize.
Diplomas now at hand bring clearer eyes
To see the far horizon, from which now
Comes Duty's call. The ways, I know not how,
Life's call to each of you is made this day—
—You—the bar?—And you—to far Cathay?—
Then wait! Before you leave, O promise me
That in your hearts the Class of Thirty-Three
You will in mind forever closely hold,
And, grateful, bind with memory's thread of gold
This volume, filled with treasured lore,
(And pledges ring: "Forevermore!")*

—DUNCAN MCBRYDE, '33.

OFFICERS OF THE JUNIOR CLASS

Junior Class History

FROM a vantage point of three years' experience, the class of 1934 looks back on the day of September 9, 1930, when our class was formally introduced to Davidson College. The varied activities of three years cannot be compressed into the small space allotted for this history. If an idea of the spirit of the class can be created, it is enough. And as for details of individual exploits—games won, points scored, honors gained, to whom are they interesting, save to us who know them already, and will always remember them?

Through the Freshman year, a proverbially trying period of college life, our class came with undaunted spirit. In the many phases of college activities—scholastic, athletic, and social, members of the class of Thirty-four played important parts, indisputably proving the class of Thirty-four to be an important part of the life of Davidson.

In the Sophomore year our class took a fuller part in the activities of the college, as befitting our more dignified position. Our attainment of a recognized place in the life of the student body was signalized by the election of the following officers, under whose direction the business of the class was admirably handled: E. L. Powell, President; John W. Lafferty, Vice-President; and Andrew Manson, Secretary and Treasurer. Athletic and scholastic success in good measure rewarded the members of the class of Thirty-four during the Sophomore year.

The Junior year, perhaps, is the heart of a college course. Not yet Seniors, with the outside world before, yet having attained the distinction of upper classmen, with the opportunity for a fuller expression of our talents, and a more direct exertion of our influence, the class of Thirty-four has continued its good work in all fields of college endeavor. Under the leadership of our present officers, we have continued to make steady progress. Lanier W. Pratt, President; Lynn Huie, Vice-President; and Charlie Rives, Secretary and Treasurer, have given the class an excellent administration.

As our Junior year closes we may look back on a record well filled with successes and attainments. We would not, however, rest on our laurels. Rather we would forget those things which are behind, and press forward to new goals in the crowning year of college life which awaits us.

OFFICERS OF THE SOPHOMORE CLASS

Sophomore Class History

"HE that is proud eats himself up," observed Shakespeare. Which goes to show how ridiculous an account of the Sophomore Class with a self-laudatory aspect would be. But, since in its two first years it can have arrived only at an entrance to real opportunities, the history of this Class should much rather recount things indicative of attainments in the future.

The officers of the Class during 1932-1933 were: Gordon "Skip" Brown, President; Joe Wadsworth, Vice-President; and Kenneth Weeks, Secretary-Treasurer.

It cannot be refuted that academic things should be sought first in college. '35 has sought them. Last year's Freshmen gave the general impression of being intellectually superior, though no definite comparative information exists. Six men made the Honor Roll for 1931-1932; J. M. Douglas, R. T. Coit, W. A. Exum, W. C. Neill, R. M. Porter, and A. B. Rhodes.

But by its athletics shall '35 be known. It can be truthfully asserted, I believe, that years will be taken in improving upon '35's Freshman football team. More Sophomores are out for sports than are men of any other class. In inter-class competitions, the Sophomores won first place in football and volleyball; second, in gymnastics and boxing; and third, in basketball. On varsity teams '35 shows up well, too. Seven Sophomores, Hand, Hutchins, Mackorell, Morgan, Morris, Potter, and Wingfield, received their letters on the 1932 football team. Two Sophomores played constantly on the basketball team, Ross and Harris. The latter was both high-scorer and elected captain for next year. By far the largest number of wrestlers were Sophomores. Potter, Quarterman, Sprunt, Dillon, and Jones, all won wrestling "D's." On the track six men are pre-eminent: Gullette, MacFadyen, and Morris, who are cross-country runners, and Glasgow, Rose, and Fred McPhail.

On the debating team are two Sophomores, Bob Smith and "Skip" Brown. Brown is to be a guest at the Annual International Peace Endowment Contest.

Taken as a whole the career of this class of 1935 has been brilliant, and active, and, in certain fields, exceptional. There are great expectations for the future of '35!

THE WELL, EC AND PHI HALLS

LT. COL. FREDERICK W. OGDEN
Battalion Commander

M I L I T A R Y

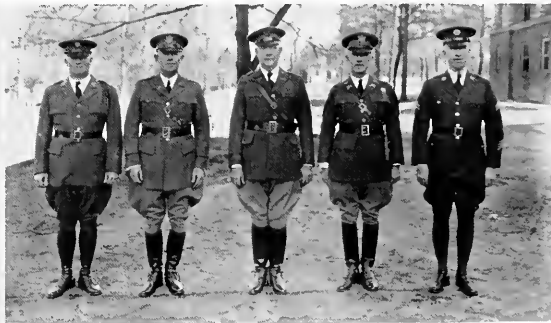

THE BATTALION STAFF

The Davidson R. O. T. C.

THE Davidson R. O. T. C. Department traces its beginning back to the days of the World War, when a military post was established here. From a rather inauspicious beginning, this unit has grown until today it is one of the really vital cogs in the educational system of the College.

At present, the work of this department is supervised by three commissioned officers and two non-commissioned officers. The commissioned officers are: Major J. T. Rhett, Captain F. M. Cochran, and Captain C. W. Seifert. The non-commissioned officers are: Sergeant B. R. Burton and Sergeant J. L. Kirby.

The R. O. T. C. course is, with certain limitations, a compulsory one with Freshmen and Sophomores. For Juniors and Seniors it is optional. Four years in this work, along with the summer camp work, entitles the student to a commission in the Reserve Army of the United States. For several years our military department has held "Excellent" rating in army circles and each Spring the Battalion is inspected by an official army inspector.

ATHLETICS

Davidson Sports

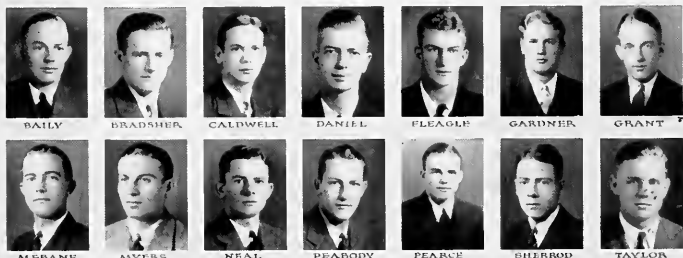

CAPT. NORTON G. PRITCHETT
Director of Athletics

IN a year of many ups and downs, flashes of success in some sports serving in some measure to offset depressions in others, Davidson College, in contrast to numbers of large universities and colleges the greatest majority of which cut expenditures on athletics to the bone, not only maintained its usual interest in athletics but entered new fields. For the first time, boxing was instituted and competition took place among the classes.

A comparatively successful football season in addition to Davidson's yearly good track team served to overbalance a most disastrous basketball season, while a baseball nine, above the level of par, and a bang-up wrestling squad wrote up scores well up on the right side of the ledger.

A split-up in the Southern Conference spiked Davidson's chances for entering in the near future, but indications point to an early date for the Wildeats combining with the other big shots outside of the Big Five.

The Wildeat tennis and golf teams both came through with slightly less than their usual success due to losing several veteran key men, but on the whole their season was considered a good one.

VARSITY COACHES

Coaches

DAVIDSON'S coaching staff experienced a general shake-up during the latter half of the 1931-32 school year when Monk Younger and Tex Tilson received offers to coach at V. P. I. which they subsequently accepted. As a result, negotiations were begun with several prospective applicants, finally culminating in the appointment of Doc Newton from Birmingham-Southern and Gene McEver from the University of Tennessee to guide Davidson's football destiny.

Captain Norton Pritchett, Director of Athletics, remained in charge of track while Doc Unger coached wrestling and Flake Laird took over varsity basketball and baseball.

Coaches Flake Laird, Heath Whittle, and Doc Mathis took over the reins in charge of Freshman athletics and their teams as a whole wrote up scores about evenly balanced

WITH the installation of Coaches Doc Newton and Gene McEver, replacing Monk Younger and Tex Tilson, Davidson gridiron mentors for many years, an innovation in football tactics was begun. These two new coaches substituted the Tennessee Neyland system for the old Monk and Tex combination, and, though they established a most creditable record for the 1932 season of four games lost, four won, and one tied, deliberately provided a foundation which in the next couple of years should bring forth even better results for Davidson.

All acknowledge with much pride that the greatest victory of the season was that over Wake Forest by a 7-0 score, in which the mythical jinx held by Wake Forest over Davidson for several years was broken. In addition, three other fine victories resulted over Washington and Lee, Wofford, and V. M. I. Clemson battled to a 7-7 tie, while State and The Citadel won by margins of 4 and 1 point respectively, with Carolina and Duke winning by margins of two touchdowns each.

DAVIDSON 0 — DUKE 13

The Wildcats had the misfortune of locking horns with the Duke Blue Devils for their opening encounter. Wallace Wade's experienced eleven succeeded in literally running circles around the embryonic Wildcat machine, including six Sophomores, which was subjecting its Tennessee tactics to competition for the first time.

The Blue Devils scored early in the first period by steady line plunging led by Capt. Mason, and scored later in the fourth quarter when Cox, a newcomer, began to shoot his fireworks. After Gardner's injury, the Wildcat line appeared to crumple, and, one after another, they were replaced by second string men. Pearce and Peabody showed up comparatively well for Davidson though far from being up to par.

QUIPS AND CRANKS 1933

DAVIDSON 7 — W. & L. 0

Again the Wildcats defeated the Generals of Washington and Lee, and by the same score as in 1931. For the first time during the season, the 'Cats reached their stride, and though winning by only one touchdown, the game was filled with exciting plays, resulting in long gains for Davidson.

The score occurred in the second quarter, after one of the prettiest plays seen on the Davidson field, when Mackorell carried the ball 23 yards to the General's four-yard line. Again Mackorell, later in the game, passed to Morris at end who passed to Pearce for a gain of 26 yards.

The Generals were unable to make a first down during the entire first half, but rallied in the latter part of the game to make five first downs to the Wildcats' three. Several times they threatened to get into action, but each time, the Wildcat defense broke their drive up.

DAVIDSON 10 — WOFFORD 6

Davidson's fleet of pony backs pried the lid off Pandora's box against the Wofford Terriers, and loosed such a bevy of trick plays, line plunges, fake passes, spinners and reverses that the Terriers were literally swamped. Mackorell, Pearce, Wingfield, Flinn, Mills and Fleagle—all lightning backs, took the brakes completely off and turned a fair football game into an excellent track meet.

Resisted a little in the first half, the 'Cats were able to score only twice, but with the opening of the second half and Wofford's first score, the fireworks began. Passes from Mackorell to Morris were good for from ten to thirty yards; Pearce's end runs could not be estimated; Mills raced 73 yards almost to the goal line; Fleagle and Flinn knifed through the line and around the ends time and again for much yardage. As the smoke cleared away, the score was found to be 10 to 6.

The hard fighting cadets of V. M. I. were unable to stem the tide of the ambitious Wildcats, and found themselves the third victim of Davidson attacks. The first score of the game took place in the first quarter, when, after an exchange of punts, Mackorell knifed his way for 44 yards. On the next play, Pearce was thrown for a 10 yard loss, but a pass from Mackorell to Morris was good for 26 yards. Then, Wingfield, with perfect interference, shot off tackle for 25 yards and a touchdown.

Late in the final, Hand, hefty lineman, intercepted a V. M. I. pass and stepped three yards for a second touchdown. Neither team attempted many passes successfully, though Smith's pass on his own seven-yard line to Walker of V. M. I. on Davidson's 41, brought the stands to their feet.

DAVIDSON 6 — CITADEL 7

Inspired by the flashy action of quarterback Jennings, The Citadel held a sluggish Wildcat at bay to gain sweet revenge for last year's defeat by the score of 7-6. Jennings and King for the cadets paired up to take honors for both sides. It was Jennings who took Pearce's punt back 48 yards for a touchdown, and who smothered Mackorell's try for extra point.

With five minutes to play in the final quarter, the 'Cats rallied, and after a series of first downs, a pass from Mackorell to Morris was good for a touchdown. The try for extra point was incomplete, but with only two minutes to play, the 'Cats were in scoring position again only to lose possession of the ball through a fumble.

Peabody and Eb Wilson played well in the backfield, while Morris, Hand, Rives, and Wagner held up well in the line.

DAVIDSON 7 — CLEMSON 7

Practically outplayed in the first half, the Wildcats came back in the second half to even up the score with the Clemson Tigers, and though making but one touchdown, completely reversed their tactics of the beginning of the game to run circles around the Tigers. A 22-yard run in the third quarter by Pearce, a 24-yard pass to Morris, a penalty, and an 8-yard plunge again by Pearce resulted in the tying touchdown.

Replete with thrills, the game was marked by stellar punting of both teams, Pearce for Davidson punting over 70 yards twice, remarkable defensive work by Wagner and Rives, and the polished playing of both ends, Morgan and Morris. Three times the Wildcats threatened the Tiger goal, but each time the Tiger held firmly, and the game ended 7-7. Davidson rolled up ten first downs to Clemson's three.

DAVIDSON 3 — N. C. STATE 7

The Davidson Wildcats played their best game of the season against the State Wolfpack, only to loose by the scant margin of 4 points. For almost the whole of three quarters, neither team had threatened seriously. Toward the end of the third quarter, Davidson recovered a fumble in midfield. Pearce got five yards, Wilson 12, Mackorell 10, and Wilson and Mackorell 10 in quick succession to place the ball on State's one foot line. Here Mackorell fumbled, and State kicked out to the 10. A pass, a penalty, and several beautiful runs gave the ball to Davidson again on the two yard marker as the quarter ended.

With one down to go, Peabody place-kicked for three points. On the next play, the kickoff, Roy of State ran the entire length of the field for a touchdown, and thus the game ended, 7-3.

DAVIDSON 0 — CAROLINA 12

Homecoming Day produced no victory for Davidson, and the Carolina Tar Heels consistently outplayed the Wildcats throughout the game to gain a well earned victory of 12-0. Carolina's first score came in the latter part of the first quarter, when Charlie Woolen caught one of Pearce's low punts to race 62 yards for a touchdown. The final touchdown was made in the last quarter through a series of drives beginning at mid-field.

Davidson threatened only once, that in the last quarter, when a shifty, passing, back-field of Mills, Fleagle, Mackorell and Wingfield was substituted, which registered several gains by passes and end runs. The Davidson offense was handicapped badly by the loss of Eb Wilson who was injured on the first play, and was in Carolina territory very little of the game.

DAVIDSON 7 — WAKE FOREST 0

Thanksgiving Day and a 7-0 victory over Wake Forest, and the taste of victory was better than the taste of turkey breast to all Davidson fans, for they had waited eleven years, a most fitting dessert. Little Charlie Pearce, denied a touchdown when he ran back the kickoff the entire length of the field at the opening of the second half, broke loose in the last quarter to intercept a Wake Forest pass and run 55 yards for the winning touchdown.

The Wildcats played over their heads that day. The Deacons had a heftier team and a better record in the Big Five, but eleven fighting Wildcats were fighting more than a game. Many times the Deacons invaded the shadow of the Wildcats' lair, but each time, the Davidson line held. The entire line covered itself with glory. Wagner outdid himself, as did Captain Buddy Gardner, performing with an injured knee, while Peabody and Wilson in the backfield did more than their share. And the score ended: 7-0.

MANAGER BAILLY

Varsity Basketball

DAVIDSON'S 1933 basketball season, the most catastrophic in years, brought only four victories out of nineteen games played. Injuries and tough breaks accounted for several defeats, but the material was lacking and the team played erratically, spurting forward with a show of teamwork at times and later relapsing into comas of nondescript fumbling. In the final analysis, the Wildcats performed none too brilliantly in a year when the majority of their opponents were experiencing their best seasons.

Charlie Harris, flashy Sophomore forward, took first place in the individual scoring for the season with a total of 113 points. Fred Dickerson followed closely with 95 points, while Bruce Peabody and Courtney Ross gained third and fourth places with totals of 89 and 86 points respectively. Ross led in scoring field goals with an even forty. Foul goal honors went to Captain Peabody who made 35 out of 46 attempts good.

The Wildcats met six opponents before they were able to register a victory. The season opened with the Charlotte "Y" in Charlotte, the latter winning 37-27. The game was a fast and interesting one, the 'Cats coming from behind in the second half to show considerable improvement. A return game with the "Y" proved almost a duplicate of the first and Charlotte again gained 37 points to the 'Cats 29. Holland caged nine points to be high scorer for the 'Cats.

QUIPS AND CRANKS 1933

Furman's "Purple Hurricane" visited Davidson next, and, led by the eagle-eyed Nau who garnered 20 of his team's points, thrashed the 'Cats to the tune of 44-30. The game was a nip and tuck affair from the first until the closing minutes of the game when Mr. Nau ran wild to give his team an unbeatable lead.

Carolina, led by Aitken and Weathers, All-Southern players, completely routed the 'Cats in Charlotte by the overwhelming score of 58-16. Although Harris of Davidson was high scorer for the evening, not once did the 'Cats threaten and the Tar Heels had things pretty much their own way.

The Duke Blue Devils, following Carolina's example, administered another big dose to the Wildcats and piled up a big score to win 58-14. Thompson of Duke led the way with 24 points. The Devils' consistently good basketball teams put out an unusually strong aggregation this year and had little trouble in sending the 'Cats down in defeat.

The sixth consecutive defeat of the season in as many games was given the Wildcats by Erskine College, this by the close score of 33-32. The game was close from start to finish, neither team holding over three or four points margin at any time. Featuring the game was Baker, Erskine's luminary, who accounted for 12 of the "Flying Fleet's" points. Baker was closely followed by Peabody of Davidson with 10 points.

Following a ten day examination period, the 'Cats met and defeated a strong Wofford team in an extra period 27-25. The game began sluggishly, neither team being able to convert their tries into points, and the Terriers led at half-time 14-5. The second half told a different tale, however. A revived Wildeat five came back to catch up with Wofford. As the gun sounded, Harris tossed in the tying foul.

Three goals and a foul shot gave Davidson the lead and the game, the first victory of the season.

Off-campus trips into South Carolina and Virginia netted the 'Cats one victory out of five games. Furman duplicated its previous victory earlier in the season on home ground and came from behind in the second half to win 33 to 28. Roper, lanky center for Furman, managed to get most of the tips at center and was responsible for 16 points.

Wofford, out for revenge upon the Wildcats who had given them their first defeat in the year, played over their own heads, and a stubborn Davidson quintet rang up another game on the wrong side of the ledger 39-24. Dickerson accounted for 10 of Davidson's points.

Two close games were played in Virginia, the first lost to Monk Younger's V. P. I. Cadets, the second won over Lynchburg College. Davidson led throughout most of the game with the Cadets, but Mr. Younger's team came from behind in the closing minutes of the game to win 27-22. The Wildeats closed their out of the state tour with a victory over Lynchburg 24-21. Ability to make their free throws good gave the 'Cats a win.

A return game with Duke University in Durham again resulted in defeat, but this time by not quite so large a margin. The 'Cats showed much improvement over their previous encounter and held the Devils to a 44-25 score.

N. C. State's Red Terrors were held in check closely during the first half, but they were not to be denied and, at the Wildcat's expense, won their first Big Five victory of the season. Davidson was held to only three free throws during the second portion of the game, and when the gun went off, the 'Cats found themselves on the little end of a 39-16 score.

The fastest and most spirited game of the season was that with Wake Forest, played in Winston-Salem. This game was the first and only meeting of the two teams during the season. Both teams worked smoothly before the half, Wake Forest leading 24-20. In the second half, the Deacons rallied strongly and tallied 19 points while the 'Cats could only get 7. Led by Harris, Davidson again rallied and in two minutes brought the score

up to 43-39. A stall by the winners as the game closed gave them a well-earned victory.

A victory over the Elon Christians, 38-18, and second losses to Carolina and State, 39-26 and 35-23, accounted for an eastern invasion by the Wildcats. All three games were closely played, but the 'Cats showed their previous tendency to wildness toward the closing moments of the game.

The Davidson quintet closed the 1933 season with a victory over Lynchburg College 37-32. The Wildcats held the lead throughout the game and were threatened only once. Courtney Ross was high scorer with 14 points, Harris following with nine.

This was one of the most disastrous seasons ever experienced by a Wildcat quintet winning four out of nineteen scheduled games. However the squad opened the season with prospects very dim and Coach Laird only had a couple of lettermen left over from last year's squad. With five of the squad headed by Captain-elect Harris slated to return next year and a brace of likely Freshmen coming up Coach Laird bids fair to return Davidson to the Basketball forefront.

Letters were awarded the following: Captain Bruce Peabody, Captain-elect Charlie Harris, Jack Wagner, Fred Dickerson, Mack Holland, John Lafferty, Courtney Ross, Harry Boucher, George Bailey, Manager, and Bob Glasgow, Freshman Manager.

Varsity Baseball

DAVIDSON'S 1933 baseball team appeared as one of the best in the history of the college. As this book went to press the Wildeat nine had a record of eight victories and no defeats in collegiate diamond circles, and had split an exhibition series with the Charlotte Hornets, professional team, of the Piedmont league.

Coach Flake "Red" Laird developed a splendid combination, both in the field and with the ashen stick. He had Bumgarner, diminutive keystone sacker as lead-off man, followed in order by Peabody, hard hitting leftfielder; Mackorell, third baseman; Morgan, rightfielder; Mills, shortstop; Morris, first baseman; June Morrison, centerfielder, and Johnny Whitley, behind the bat.

Joe Morrison, Frank Mock, Billy Ravenel, and Fred Smyre also saw service, and put up a showing of no mean merit.

An excellent pitching staff composed of two right handers and a like number of southpaws, kept Davidson's opponents at a scoring minimum. Charlie Harris, Sophomore sensation, and Julian West are the boys who pitched in the orthodox style, while Charlie Pearce and George Baily could stack up with any portsiders in the state.

Johnny Mackorell was leading the hitting with .463 as this book went to the printers. Mills, Bumgarner, Morris, and others were also hitting the "old apple" for the Davidson aggregation.

QUIPS AND CRANKS 1933

The 'Cats opened the season by taking a free hitting spree from the Catawba Indians, by the impressive score of 14 to 2. The Davidson lads hit when hits mean runs, and amassed their enviable total, without an unusual amount of extra base hitting. Charlie Pearce and Charlie Harris worked on the mound for Davidson.

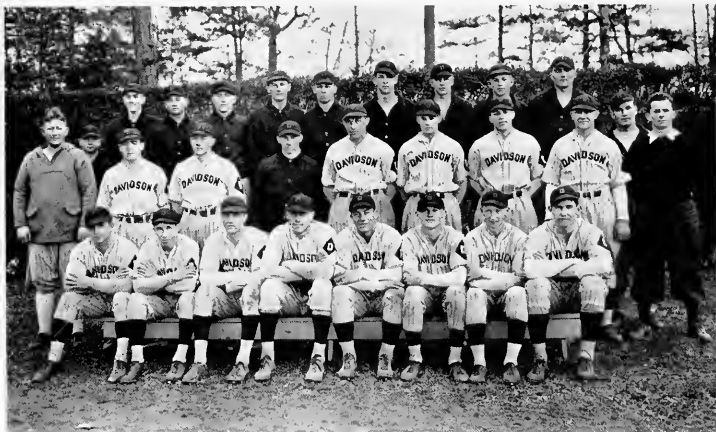

The Mountain Bear nine of Lenoir-Rhyne came next, and the 'Cats sent a fusillade of hits against two Lenoir-Rhyne hurlers, and drove them to all corners of the lot to hang up their second victory at 20 to 8. Harris was on the hillock for the locals.

Union Seminary, minus the services of hurler Knox Poole, was the next to fall before the batting barrage of the slugging Wildcats. Wimpy Ravenel and K. D. Weeks played two innings for the Union boys, and nearly put teammate George Baily in trouble, but the blond portsider steadied, and held the Preachers to two bingles during the last eight innings, winning 9 to 4.

A return game with Catawba nearly turned out disastrously for the Wildcats. Catawba held a 7 to 6 lead as the Davidson boys went to bat in the seventh canto, but the locals got their heavy bats to working and hammered out six runs, to bring the game home, 12 to 7. Pearce pitched for Davidson.

The strong Elon nine then invaded Davidson. These boys, who held a shut out over the North Carolina Tar Heels, and who were highly touted as "giant-killers" were completely at the mercy of hurler Charlie Harris, who turned them back, 7 to 2.

The Wildcat aggregation then started on their spring holiday campaign. This opened with a brace of exhibition games against the Charlotte Hornets of the Pied-

mont League. George Baily was in rare form in the opener, and turned the pros back with two scattered bingles, while his mates were garnering nine to take the game, 5 to 1.

However, on the following day the Hornets retaliated with a vengeance, and shelled Julian West for eight safeties, which coupled with six Davidson errors, served to defeat the Wildcats, 8 to 0, which is their only defeat to date. These two games have no effect on Davidson's standing in collegiate baseball, however.

A pair of holiday games had been arranged with the University of North Carolina. In the first imbroglio, played in Winston-Salem, the Saturday before Easter, the 'Cat nine, behind the steady pitching of Charlie Pearce, turned back the 'Tar Heels, 4 to 3 to go into the lead in the Big Five race.

The second game was played in Concord before a large crowd on Easter Monday. This game, in spite of a first inning homer by Peacock, Carolina centerfielder, also went to the Davidson contingent by a 4 to 3 count. Charlie Harris turned in a nice bit of pitching.

In the last game of the vacation campaign the Elon Christians again bowed before the formidable aggregation of sluggers from Davidson. This time, led by Big Jim Morgan at the bat, the 'Cats went on a hitting spree, piling up a 12 to 2 score. George Baily had the Christians completely at his mercy throughout the game.

The first game after the Easter holidays was played with Carolina at Chapel Hill. Davidson won by an 8 to 7 score, winning the third straight game in the series with Carolina. The Wildcats used three pitchers, Pearce, West and Baily, in this encounter but West received credit for the victory. West relieved Pearce in the sixth inning and the team managed to bunch their hits to win.

Carolina started off in good shape and maintained a 3 to 0 lead at the beginning of the fourth inning. Then, Davidson's hitters bunched bingles and scored four runs for their lead which they kept for the rest of the afternoon. J. G. Morrison led Davidson's hitters with three for four.

Davidson received the first licking of the season in the game with North Carolina State. It was a surprise defeat for David-

son was scheduled by several authorities to win. However, the Wolfpack rallied about the middle of the conflict and when it was over Davidson was on the short end of a 9 to 6 score.

At the beginning of the fourth inning, Davidson had a 6 to 2 lead with Baily pitching. But during the following three innings State made seven runs. One of these occurred when a State batsman hit a home run with the bases full. This was the deciding factor in the results of the game.

Those pitching for Davidson in the fray were Baily, West and Pearce. Scitz pitched for the opposing team. Following this game the Wildcats started on a four game invasion. They played Lenoir-Rhyne at Hickory and trounced them soundly. They enjoyed an encounter with Hampden-Sidney, winning this contest by a 2 to 1 score.

The Gobblers of V. P. I. were their opponents in Blacksburg in a two game classic. They lost the first to the Gobblers by 7 to 0 in which game the Tech pitcher allowed only three scattered hits. The second game was won by the Gobblers to the tune of 4 to 1. After their foreign invasion they returned to the home field to play the Demon Deacons of Wake Forest. However, due to the inclement weather the game had to be postponed until a later date.

The 'Cats are to wind up their home schedule with games with Duke and State on the home diamond. The outcome of the Big Five race will probably depend on these two games. To date only four games have been lost with twelve games won for a total percentage of .750. Standing at the top of the Big Five race as the annual goes to press Davidson followers view the 1933 season as one of the most successful in a decade.

Varsity Track

AS this book goes to the printers the Davidson track season is a little more than half over. At this point that team has a perfect record, with three wins and no losses. Coaches Pritchett and Whittle have done excellent work with some good and some poor material, and have put a team on the field that has literally swamped all opposition thus far.

A feature of this season has been the setting of new records in the shotput and discus by Miller Cochran, who tossed the sixteen pound iron ball, 44 feet 3 inches in the Davidson-Wake Forest meet and the discus 134 feet 4 inches against South Carolina. The former record of 44 feet 1-8 inches was held by Leftwitch of the class of 1929. Cochran held the college record in the discus throw. Another feature was the breaking of the old 220-yard dash mark held by John Currie. Fred Fleagle chalked up the fast time of 21.6 seconds to shade Currie's mark of 21.7 against South Carolina at Columbia.

Captain Fred Fleagle, ace sprinter, has turned in victories in both the century and the furlong in all meets held thus far. He has turned in two hundred yard dashes in 9.9. His time on the 220-yard dash has been comparatively as fast. He has been ably assisted in the dashes by Bob McCallie and Alex Little.

In the high hurdles Lanier Pratt and Fred McPhail have things well in hand. They have consistently run the high timbers under sixteen seconds throughout the season. McPhail is a Sophomore and Pratt a Junior and a varsity letterman of last season's team. Alex Little and Bob McCallie took the first two places in the low hurdles to date in the first three meets.

QUIPS AND CRANKS 1933

John Howard, varsity miler of 1932, is again leading the Davidson contingent in this event. He won his race in the meet with V. P. I. and took second in the meet with Wake Forest. He was unable to compete against Furman in the opening meet. Morrow, Oates, and Gillette have also shown up well in the mile, the last named taking first in the Furman encounter.

Charlie Little, a Senior, in his first year out for track, leads the Davidson contingent of two-milers. In the three meets he has amassed a total of eleven points, by virtue of two seconds and a first. McFadyen, of last year's Freshman team, and Woodside also represent Davidson in this event.

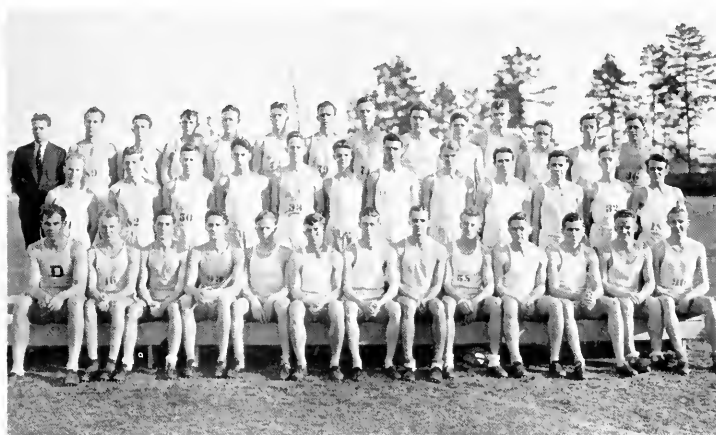

A trio of seasoned half-milers give the Wildcats a good showing in the 880-yard run. These men include lettermen Gwynn and Cannon and also Corbin, who saw service last year.

Duke Glasgow, Sophomore, has won his specialty, the 440-yard run, in the past three meets. He has been aided and abetted in this event by Grant and Wingfield.

In the field events, the pole vault is well taken care of by Billy Flinn, who holds the present college record in that event. J. B. Lee adds needed assistance with places in each meet.

Henry Rhyne, a veteran jumper, and Coble appear to have the high jump under control, and are taking places in the meets with comparative ease.

Miller Cochran is the outstanding weight man, although Jack Wagner, A. J. Potter, and Joe Dill, keep adding points to the Davidson total by bagging points in these events. In the Wake Forest meet, with Wagner away, Cochran took in fifteen points with first places in the shotput, the discus and javelin throws.

The broad jump has been well taken care of by Armistead, Flinn, Dickerson, and Alex Little. These boys have been consistently jumping well over twenty feet, and have added strength to a well balanced cinder organization.

The season opened with the 'Cats bumping off the Purple Hurricane from Furman University of South Carolina, 83 1-3 to 36 2-3. Fleagle featured the meet by trouncing Alley, Furman's highly spoken of dash man, in both of the sprints. Wagner, performing with a cracked wrist, placed second in the shotput.

The next meet, also held here, was a dual meet with V. P. I. The 'Cats took most of the first places to trim the Gobbler representatives, 75 to 51. Fleagle again took the spotlight for the locals with wins in the 100 and 220, running the former in 9.9. However, it was up to W. Turner of Virginia Poly to furnish the fireworks for the spectators. He cleared the bar at 6 feet 1 3/4 inches in the high jump to establish a new V. P. I. record.

A meet with the University of Florida at Gainesville had to be called off on account of rain.

In the season's third encounter, the 'Cats swept everything before them, and demolished the Wake Forest Demon Deacons, 98 1-2 to 27 1-2.

The Wildcat cindermen next journeyed to Columbia where they met the South Carolina Gamecocks under a broiling sun. The meet was nip and tuck throughout and was not decided until Gwynn cinched enough points by taking second in the 880. The highlights of the meet were the breaking of the discus and 220-yard dash marks. Miller Cochran threw the discus for a new mark of 134 feet 4 inches to smash his old mark. Capt. Fred Fleagle dashed to a new 220 mark of 21.6 lowering the old record by one-tenth of a second. The meet score was 65 2-3 to 60 1-3.

Varsity Wrestling

ATTEMPTING one of the most difficult schedules that a Davidson wrestling team has faced in many years, the 1933 Wildeat matmen had a very successful season, winning two out of four matches and tying a fifth. Instead of the annual meet with the Virginia Military Institute, Davidson journeyed far to the North to meet with Franklin and Marshall College at Lancaster, Pennsylvania. Following this match the 'Cat grapplers met Washington and Lee, Duke, Virginia Polytechnic Institute, and the University of North Carolina in succession.

Captain Ben Taylor, wrestling in the 165-pound class, won every match but two. Against Franklin and Marshall, Taylor scored Davidson's only points by gaining a time decision in the 165-pound class. In the Duke meet he again gained a time decision over his opponent and in the Carolina match he won by a fall. Dick Whitfield, a Senior, finished a successful season in the unlimited class. Against Washington and Lee, Whitfield won by a time decision and pinned his man in the V. P. I. match.

A. J. Potter, a Sophomore who occasionally stepped out of his weight and alternated with Captain Taylor in the 165- and 175-pound class, did exceptionally well this season, winning three out of his five contests by time advantages. Lawrence Quarterman, another Sophomore who wrestled in the 155-pound weight, also won three of his five contests, one by a fall and the other two by time decisions.

Ernest Jenkins, wrestling in the 126-pound class, won a time advantage over his opponent in the Duke meet. Dillon who replaced Jones when he suffered a broken collar bone in the Franklin and Marshall meet, defeated his man from V. P. I. by a time decision. Walter Sprunt, another second-year man, won both of the two matches that he wrestled by time advantages, defeating his opponent from V. P. I. and Carolina in the 135-pound class.

QUIPS AND CRANKS 1933

The Wildcats opened the season against Franklin and Marshall College at Lancaster, Pennsylvania. The latter team was victorious by a score of 31 to 3. Captain Taylor was the only man to win his match; although wrestling out of his weight he won a time decision over his opponent.

The second meet of the year was with Washington and Lee, last season's conference winners. W. and L. defeated the 'Cats on their home mat by a score of 22 to 6. The Generals won six of the eight matches, Fort and Whitfield scoring Davidson's only points by gaining two time advantages.

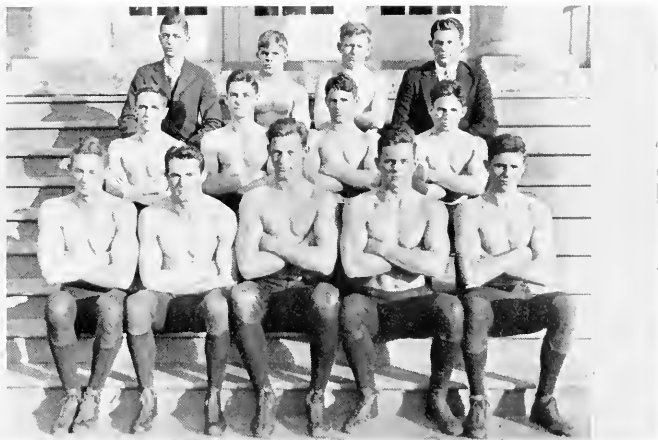

On February 2nd the Wildcats had their first taste of victory at the expense of the Duke Blue Devils. The 'Cats met and downed at Davidson the Blue Devils by a score of 15 to 11. Jenkins, Potter, Fort, Quarterman, and Taylor scored all of the points by time decisions.

Following this match Davidson, on their own mat, met the grapplers from V. P. I. and defeated them by a score of 19 to 13. Fort (145-pound) was out because of an injury and was replaced by Griffith. Davidson won five of the eight matches; Whitfield and Quarterman winning by falls and Dillon, Sprunt, and Potter by time advantages.

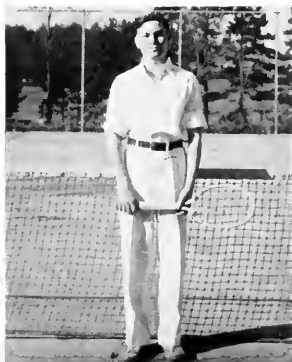

The final meet of the season was with Carolina at Chapel Hill, the score ending in a 14 to 14 draw. After the 126-pound match it was nip and tuck. The match ended with Carolina having won four matches and Davidson the same. Captain Taylor won his match by a fall and Potter, Sprunt, and Quarterman gained time advantages.

Varsity Tennis

CAPT. MYERS

WITH two of last year's very successful team, Captain Myers, and Halverstadt, again in action, the 1933 Davidson tennis team opened its schedule by winning one out of the first two meets, the third match with Emory being rained out.

The most outstanding play of the season appeared in the North Carolina State Tennis Tourney held at Duke in which Jimmy Halverstadt battled his way to the finals only to be defeated after a hard fight in a drizzling rain. In the doubles, Captain Myers teamed up with Halverstadt also reached the finals; but they, after a hard and trying match were defeated 6-1, 6-2, 9-7.

Following is a list of the tennis team and what they played: No. 1 Jimmy Halverstadt, No. 2 Captain Charles Myers, No. 3 W. T. Thompson, No. 4 Dudley Elvery, No. 5 Robert Morrow, No. 6 Phifer and Scott alternated for this position.

Freshman Football

FROM the looks of the Davidson Freshman football squad at the first of the season, it appeared as if Coach "Red" Laird would have a hard uphill struggle to put out a good team. However, assisted by Coach "Doc" Mathis, he rounded off a very successful season with the Kittens. This team proved to be a scrappy eleven that made up for its small size by hard fighting, brainwork, and the spirit to win.

Being outweighed by all the teams they played, the Kittens made a very good showing, eventually turning in a creditable score card with two wins, one tie, and two close losses. The two wins were by large scores, signifying a swift attack and alertness for every opportunity. They won their first game against Presbyterian Junior College 26-0, and in their second fray they defeated the Wofford Freshmen 20-6. Even though they greatly outplayed the William and Mary (Southern Division) Freshmen, they were unable to tally and the score remained 0-0. They lost to the strong State Freshman Team 7-12, with the winning touchdown coming in the last minute of play. Although greatly outweighed by the Duke Freshmen, the Kittens held them to a 13-7 victory.

Their initial contest on September 23 against the Presbyterian Junior College caught the Wildkittens in a somewhat ragged and unsettled state. As yet the coaches had not been able to get a line on the players to definitely place them. However, the competition was not very great and they managed to come out on the big end of a 26-0 score. Keeping the ball in the enemy territory throughout the game, the Kittens were threatened only once when P. J. C., unable to break through the line backed up by Slaughter, resorted to an aerial attack.

The Frosh then journeyed to Spartanburg, South Carolina, where, in a game full of thrills, they ran rings around the Wofford Freshmen 21-6. The Terriers made desperate efforts to retaliate for the long gains of the Wildkittens, but their only score came in the first quarter as a result of a pass. The Davidson Frosh made their first touchdown when Johnny Pearce, on the first play, slid off tackle, and with per-

QUIPS AND CRANKS 1933

feet interference raced 70 yards for a touchdown. The second touchdown came in the beginning of the third quarter when, after a long drive down the field, Burns tossed a pass to Cumbie over the goal line. Pearce nabbed a 30-yard pass from Pittman and ran the remaining 20 yards for another touchdown shortly before the game ended. Windham and Cathey did good defensive work at tackles.

The Kittens' first and hardest loss came when they were defeated by the bulky State Freshmen at Greensboro 12-7. State's first score came toward the end of the first half when they carried the ball ten yards off tackle for a touchdown. Davidson retaliated quickly in the second half when Pittman hurled a 35-yard pass to Burns across the goal line. As the result of a poor punt by the Kittens and a pass by the Wolfpack, the latter gained the winning touchdown in the last minute of the game. Verbal did most of the ground gaining for Davidson, while Windham and Cathey played a great defensive game.

Piling up ten first downs to their opponents two, the Wildkittens battled the William and Mary Freshmen to a scoreless tie. Davidson was on the offensive throughout the game, and the passing attacks of their opponents utterly failed. The scintillating runs of Verbal and the passes of Burns kept the ball continually in enemy territory. Brenizer showed up well in the line at center.

Outweighed 15 or 20 pounds per man, the Freshmen suffered defeat in their next and last game at the hands of the undefeated Duke Freshmen. The first quarter saw the Wildkittens outplay the Blue Imps, and in the second they held their own, but in the third quarter Duke intercepted two passes which put them in scoring position. In the final quarter the Wildkittens drove almost the length of the field to score.

Davidson	0	William and Mary Freshmen	0
Davidson	7	N. C. State Freshmen	12
Davidson	7	Duke Freshmen	13

FRESHMAN FOOTBALL SQUAD

FRESHMAN BASKETBALL SQUAD

Freshman Basketball

THE Freshman Basketball Team enjoyed a relatively good season. Flashing intermittent brilliance, the Yearlings won several contests only to lose others when unable to find the basket through poor teamwork. For the most part these insufficiencies may be blamed upon lack of experience. Only a small part of the team's personnel had seen previous basketball service.

Herman Dillard, brilliant Kitten forward, led his team mates in the individual scoring, with thirty-four field goals and eleven converted foul shots for seventy points. Close on Dillard's heels were Woodrow Burns and Dick Parker who tied with sixty-nine points apiece. Co-Captains, Cole Windham and Hack Sanders were third and fourth in the individual scoring with tallies of fifty-six and fifty points, respectively, to their credit.

The team scoring was rather low. The opposition amassed a total of 448 points to 374 points for the Kittens. Several rather one-sided defeats for the Freshmen made this possible.

On a whole it may be said however, that with eight victories out of fifteen starts, for a percentage of .533, the Kittens had a very good season.

FRESHMAN BASEBALL SQUAD

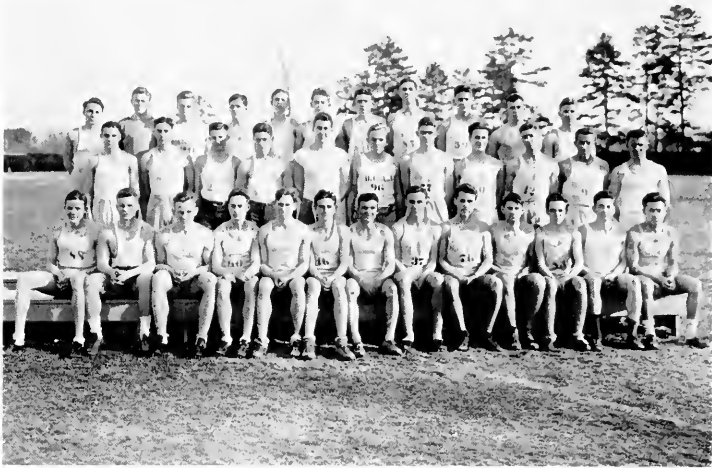

Freshman Baseball

THE opening of the 1933 Freshman baseball season found Coach Unger with a small and inexperienced group, and prospects looked doubtful for the Wild-kittens. However, some men of natural ability who had no experience in baseball in some cases outdid those with previous training, and a baseball team quickly materialized. This team lost early to Charlotte High 17-10, but Coach Unger whipped them into shape so that they later defeated the same team 3-1. Having won five of their first eight games, the Freshmen seem well prepared to meet the remaining six opponents with success.

Practically all the Freshmen are sporadic hitters, however Burns, McFadyen, and Partridge have been fairly consistent. Burns, who has come through with several timely bingles, is a good first-sacker and should be valuable to the varsity next year. McFadyen, at second, has also proven dependable. Lofton, at short, and Haake at third, have made very creditable showings. Clark and Moore have alternated behind the bat, and both have turned in good performances. Brown and C. Young have been pressing men for positions in the infield. Cumbie, Kuykendall, Partridge, and Stuart have kept the outfield impregnable, with Senter, Parker, and Walker as substitutes. Jenkins proved himself an exceptional pitcher when he fanned 26 men in the first two games. Richardson and Cathey are also working on the mound with Mann and Sanders as substitutes.

Davidson	3	Charlotte High	1

FRESHMAN TRACK TEAM

Freshman Track

FOLLOWING the examples set for them by the other teams of the class of '36, the Freshman Track Team has shown itself to be one of the strongest teams that has ever represented Davidson on the track.

The Wildkittens have been victorious in the three meets participated in thus far. In the first meet the Freshmen defeated Charlotte High 74 1-3 to 42 2-3 points. The V. P. I. Freshmen were next defeated 76 to 41 points. In the triangular meet with Winston-Salem and Charlotte High Schools they emerged victorious, nosing out Charlotte 61 to 59 points. These first three victories have revealed a well-balanced team that should go far in future meets.

In Evans, the Freshmen have a brilliant performer in the dashes. In the State Indoor Meet he set state record for Freshmen for the 60 yard dash with the time of 6 5-10 seconds. Faison, another fast man, is only a little behind him in these events. The team can always count on Frazier, the star distance man, to bring in victories in the 440 and mile runs. In Dolan, Lee, and Pittman the team has three performers who have cleared the bar at over eleven feet in the pole vault. The Freshmen are well represented in the hurdles by Parker, Pittman, and Cathey. Other men who have helped make the team a well-rounded point-scoring machine are Merchant in the mile, Tipton and Windham in the shot, and Shufford in the half mile.

The team indicated its strength in the good showing of its members who took part in the State Indoor Meet. The team will meet Presbyterian College on April 29, Wake Forest on May 6, and will take part in the State Meet on May 13.

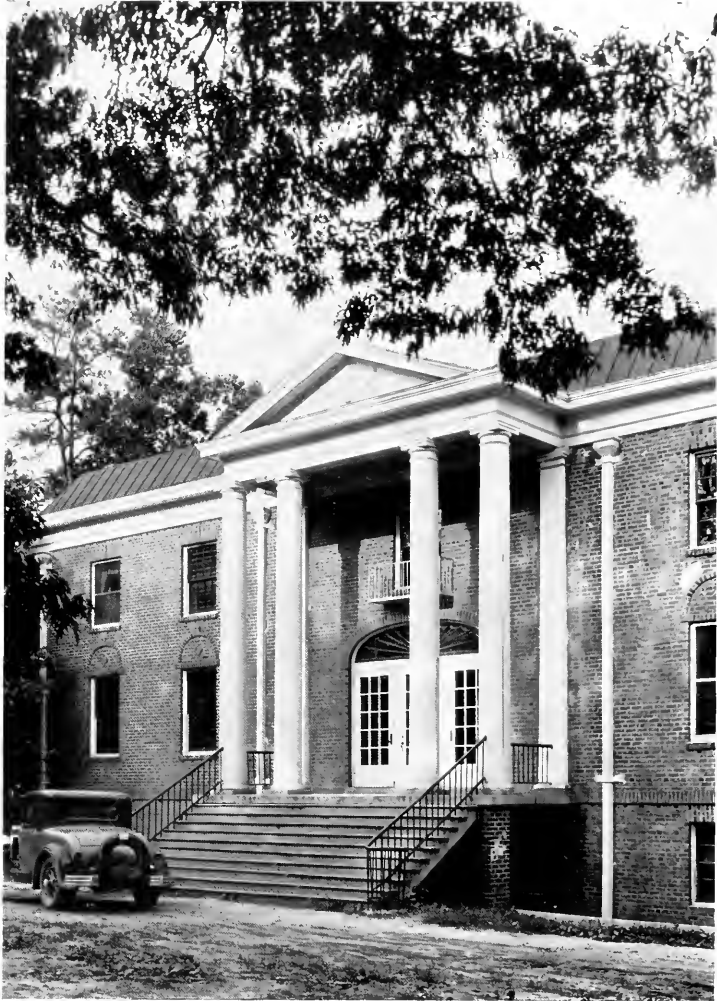

FRESHMAN TENNIS TEAM

Freshman Tennis

THE Freshman Class has been represented by an unusually strong tennis team. The team was made up of Carlyle Lewis, Martin Barnette, Bill Bowman, and Bill Bell. These men won their places in a competitive tournament, in which Lewis' steady stroking defeated Barnette, the runner-up, in a hard fought finals match, the score being 6-1, 6-3, 6-4. Lewis and Bell teamed together in the doubles, while Barnette and Bowman furnished the other combination.

The team opened the season with a victory over Darlington. The best match of the day was between Lewis-Bell and Potts-Greer. The Davidson team's remarkable co-operation saved the match after a hard-fought struggle. This four to two victory over Darlington showed that the Wildkittens have a tennis team that bids fair to come through the season with a long string of victories. The team will meet Winston-Salem, Hickory, Catawba, and will take part in the State Meet on April the 17th.

*“Unusual Excellence is Never
the Result of Chance”*

In producing school publications, we endeavor to render a helpful and constructive service directed toward enabling a student staff to issue a representative and distinctive publication.

In connection with our new and modern printing plant we maintain a large Art and Service Department where page balance, typography and complete decorative and illustrative motifs are created and worked out.
